

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for University Preparatory Academy and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Alexandru Gui for help if you need assistance.

The AER is available for you to review electronically by visiting the following web site (<http://bit.ly/2Im1F0H>) or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

**Student Assessment Data** – Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT. Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

**Accountability – Detail Data and Status**

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

**Teacher Qualification Data**

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

**NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

**Civil Rights Data**

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

\* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

School Name	Status Label	Key Initiative to Accelerate Achievement
UPA Elementary – Ellen Thompson Campus	No Label	EL Education, K-2 Literacy Curriculum
UPA Elementary – Mark Murray Campus	TSI	EL Education, K-2 Literacy Curriculum
UPA Middle School	No Label	EL Education
UPA High School	No Label	EL Education

The 2017-2018 school year saw many great accomplishments at University Preparatory Academy. All schools in the district continued their pathway toward implementing EL Education, a nationally recognized educational model that emphasizes rigorous, authentic work, character development and mastery of state standards. Through this implementation and a process of data analysis, we have identified areas to improve around our scope and sequence. We are currently aligning our efforts to support teachers and leaders so that our students have full access to all of the grade-level standards. I would like to congratulate our students for their hard work and continued development, and I would also like to thank Parents for their ongoing involvement in our schools. Please contact your child’s school for more information about opportunities for engagement in the coming year.

Sincerely,

Danielle Jackson
