If no winter benchmark assessment is given, provide a full narrative detailing progress made on goals. Include student growth and achievement data.

The winter assessments for the Kindergarten - 2nd grade grade bands do not end until February 5th per MDE's window. Due to the window still being open at the time of this report being uploaded, data for these assessments are not immediately available. Data will be updated and resubmitted to GVSU by the end of February for these assessments.

Additionally, the NWEA data is PRELIMINARY DATA only. The testing window does not end until February 7th and data does not represent all of our students. Data with less than 50% participation percentage was omitted and will be updated in February after the testing window completes.
