

A Message From Our CEO

Dear U Prep Community:

The holiday season is upon us, and our break is just around the corner. Take an opportunity to reflect on the year and remember what brought us joy during this year of transition back to in-person learning. My hope is that you make time to spend with loved ones and practice self-care and overall wellness.

In this edition of "News at the U!", you'll learn about how the University of Michigan partners with us to educate our scholars on living a healthy lifestyle and equips them with tools they need to live productive lives now and into the future.

The first half of this school year has brought unforeseen challenges and even tragedy and trauma, nationwide. Let's make sure, as a village, that we take this holiday break to appreciate the love of family and friends. Be sure to take advantage of quiet time by yourself, as well as with the little ones. Relax and refuel in the coming weeks.

May you have a safe, loving, and family-filled holiday with a prosperous New Year! Stay safe, and be well.

In Community and Partnership,

Danielle Jackson, CEO U Prep Schools

Project Healthy Schools Continues to Improve the Health and Fitness of U Prep Middle School Students

Project Healthy Schools will continue to impact U Prep Schools! <u>This program, facilitated by the University of Michigan</u>, educates youth on the importance of maintaining a balanced and healthy lifestyle through wellness activities and education about nutrition.

Read more about this beneficial experience below and learn more about how Project Healthy Schools has been impacting our community this year.

Debate Club Teaches Scholars More Than Public Speaking

U Prep encourages critical thinking for all of our scholars, so they learn to engage in reflective and independent thought. We offer Debate Club at UPA Middle School and UPA High School for those who want to develop their skills in the areas of critical thought, research, public speaking, conflict resolution, and more. UPA's Debate Club is at the top of its game and is currently one of the most decorated teams in the State, including success at the national level. Find out more about how our Debate Club has been adjusting to debating in the virtual setting at the link below.
