A Message From Our CEO

Dear U Prep Community:

Thank you for joining us on Saturday, May 21st for our career and enrollment event, "Experience the U. Get the Best of Detroit." We were excited to welcome new families and crew into the U Prep community. Learn more about the exclusive below, in this issue.

We'd also like to invite you to learn more about our school leaders and their day-to-day efforts to courageously lead and inspire change within school communities. Hear from our alum, Justin Gabert, who will share his fond memories as a former student at U Prep after joining as a transfer student, and learn about our annual Youth Artist Exhibit, "Night of the Arts" (NOTA).

Finally, we still have a few open seats for the upcoming school year. Scroll down to learn how you can apply for your young scholar today in this issue of "News at the U!"

**Night of the Arts at UPAD
High School**

Every year, the UPAD District hosts a student artist exhibition, "Night of the Arts" (NOTA). For the first time this year, the event included an in-person fashion show for our student designers. Not only were young artists able to showcase their work, but they also gained profit from selling their work. Click below to learn more about the impact that NOTA had on our school community.
